Thank you for your request for information relating to Air quality data.

You have requested the following information:

Coventry has not updated its Air Quality Annual Status Report on its website in a long time. The most recent data is from 2020.... Most councils across the UK have published their data from 2022.

Can this please be updated? In addition, can the latest data be provided in pdf format to me?

In response to your request, we refer you to the attached report.

To advise you, we confirm we have now published the combined Air Quality Annual Status Report for 2022/23 on our website.
