Dear Sir/Madam

Request ID: FOI634353085

Thank you for your request for information relating to Electrical Inspection Report.

You have requested the following information:

Since July 20, 2023, social landlords have been legally required to produce Electrical Installation Condition Report tests on their properties every five years.

Under Freedom of Information, can you please tell me:

- 2. How many of those properties have failed their inspection, meaning they have had an unsatisfactory EICR report?**
- 3. How many properties have not had their EICR conducted?**

For Questions 1 to 3, we confirm that we do not hold this information and are advising you as per Section 1(1) of the Act. Housing enforcement teams do not keep this data, they enforce the regulations where certificates are not obtained but we do not keep information on all properties for all Social Landlords.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.
