Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI627634622

Thank you for your request for information relating to traffic wardens.

You have requested the following information:

I need the numbers of the two traffic wardens that were on duty in the area of Earlsdon high street on the 14th June 2024 at 13.00 to 14.00. and Coventry City Council, Parking Services

This information is exempt under section 40 (2) of the FOIA. This exemption covers the personal data of third parties (anyone other than the requester) where complying with the request would breach any of the principles in the Data Protection Act.

This has been done as the Council considers that this information meets the definition for personal data set out in Section 3(2) and 3(3) of the Data Protection Act 2018 (DPA) as:

(2) personal data means any information relating to an identified or identifiable living individual (subject to subsection (14)(c))”

(3) “Identifiable living individual” means a living individual who can be identified, directly or indirectly, in particular by reference to –

(a) an identifier such as a name, an identification number, location data or an online identifier, or
(b) one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of the individual.”

Section 40(2) of the FOIA states that personal data relating to third parties (i.e. a party other than

the person requesting the information) is exempt information if it is the personal data of a third party (i.e. not yourself) and one of the conditions in section 40(3A-B) or 40(4A) is satisfied.

The information you have requested includes personal information of employees of Coventry City Council who are not at a senior level. The disclosure of this information would breach one or more of the Data Protection Principles in the UK General Data Protection Regulation (UK GDPR). The condition at section 40 3A(a) is therefore satisfied because disclosure in this instance would breach the first data protection principle. This is because it would be unfair to disclose such personal data where the employees concerned have no expectation that their information would be released in the context of the information held.

Section 40(2) is an absolute exemption not subject to the Public Interest Test.
