During this time, parents and other stakeholders are invited to express their views and any concerns about the admission arrangements at Keresley Grange.

In accordance with the DfE's 2021 statutory School Admissions Code guidance, as a school we must consult on our admission arrangements when changes are proposed, and at least once every 7 years.

The following amendments to our admission arrangements are proposed:

- Additional explanation about the process for deferred entry into school

There are also some minor definition and statements for clarification. These do not make any specific changes to arrangements.

The proposed policy will be published, in full, on the school's website ([www.keresleygrange.co.uk](http://www.keresleygrange.co.uk)). The school will also consult via the school's newsletter, local primary schools, and Coventry Local Authority. During this time, the Governing Committee welcomes comments on the proposed policy, all of which will be carefully considered prior to the final submission of the policy.
