Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: FOI668087839**

Thank you for your request for information relating to schools that are providing education to pupils at another school.

You have requested the following information:

With respect to only those schools that are still maintained by the local authority, including those that are federated, please provide the names of any schools that are providing education to groups of their pupils* at another school for more than half of the teaching week.

Please note that this request does not include those schools who are using alternative providers or dual registrations with other educational settings to offer provision for individual pupils with additional needs.

As an example only, this could be two small, federated schools who are choosing to educate all EYFS and KS1 pupils at one school and all KS2 pupils at another for curriculum organisational purposes.

***That is, those that are registered as on its roll.**

A simple response via this mailbox containing the names of the schools and the Local Authority that you represent will be most useful. Nil returns are also appreciated.

We confirm that the response is nil.
