Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: FOI666279456**

Thank you for your request for information relating to legacies of slavery.

You have requested the following information:

I want to make a request under the FOI Act 2000 for details of any actions taken around legacies of slavery since June 2020. In particular, whether the council has undertaken, considered, or been asked about:

- 1. Any renaming of waterways, buildings or other associated spaces.**
- 2. Any changes to monuments, plaques, or memorials owned by the Trust.**
- 3. Any formal reviews or discussions of public spaces.**
- 4. Any public engagement activities, such as consultations or discussions with the public.**

I realise that some of this information may be publicly available and may engage section 21. If it is already available, I would be grateful if you could please indicate where it is.

Clarification:

By trust we mean Council.

We can advise that a review of public art, buildings and memorials was carried out in the aftermath of the Edward Colston statue incident in Bristol, and nothing was identified in the city that might invite controversy or negative interpretation.

The supply of information in response to a FOI/EIR request does not confer an automatic right to

re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.
