

## General Lesson Structure

### Method statement.

Each session will be structured using a similar format.

<b>Learning outcomes</b>	<b>Agreed assessment techniques.</b>
The learning outcomes will be agree with the teacher prior to the visit based on three categories...	Learning outcomes will shared with the students then tested and assessed by :- <ul style="list-style-type: none"><li>• Open-ended questioning.</li><li>• On going peer group discussion.</li><li>• Sharing experiences.</li><li>• Investigating results and predictions.</li><li>• A plenary session to confirm and re affirm the learning.</li></ul>
All children should.....	
Most children will.....	
Some more able children will....	

The learning out comes are subject specific but the methodology for the lesson is generic.

We welcome learning outcomes submitted by the class teachers.
