

Petition Privacy Statement (Excluding Statutory Petitions)

This statement sets out how information contained within paper and electronic petitions ('e-petitions') submitted to the City Council will be used.

The information you have provided will be used for the administration of Coventry City Council's petitions (both paper and electronic), to maintain the integrity and quality of the 'signature list', and for service improvement purposes. This may include sharing your name and address (email and/or postal) with relevant Coventry City Councillors and Officers and any relevant third party organisation in order to respond to your petition.

While your name may be displayed on the Council's petitions website (or in a public register for postal petitions) your signature, email and postal address will not be publicly disclosed.

Petitions relating to Planning Applications are handled by a separate process and are published to the Planning Portal <http://planning.coventry.gov.uk/portal/index.html>

To view online petitions click here <http://epetitions.coventry.gov.uk/view-all-epetitions/>

General information about terms and conditions of use for Coventry City Council's website is available at <http://www.coventry.gov.uk/terms>. This includes the way we use information and the use of cookies on our websites.
