## Part B Transfer form

### Joint application to transfer a permit

Local Authority Pollution Prevention and Control  
Pollution Prevention and Control Act, 1999  
Environmental Permitting (England & Wales) Regulations 2007

#### Introduction

##### When to use this form

This regime is known as Local Authority Integrated Pollution Prevention and Control, LAPPC. Installations permitted under this regime are known as Part B installations. Use this form if you already have a permit and wish to transfer the permit in whole or in part to another person (the proposed transferee or new operator). You may apply to transfer the whole or part of your permit. Under the Environmental Permitting (England & Wales) Regulations 2007 (the "EP Regulations") both the current operator and the proposed transferee must jointly apply to have the permit transferred and must both sign this form.

##### Before you start to fill in this form

You are strongly advised to read relevant parts of the Defra general guidance manual issued for LAPPC, republished in 2008 and available at: <http://www.defra.gov.uk/environment/ppc/localauth/pubs/guidance/manuals.htm>. This contains a list of other documents you may need to refer to when you are preparing your application, and explains some of the technical terms used. You will also need to read the relevant Process Guidance ("PG") Note for your process: <http://www.defra.gov.uk/environment/ppc/localauth/pubs/guidance/notes/pgnotes/index.htm>. The EP Regulations can be obtained from The Office of Public Sector Information or viewed on their website at: [http://www.opsi.gov.uk/si/si2007/uksi\\_20073538\\_en\\_1](http://www.opsi.gov.uk/si/si2007/uksi_20073538_en_1)

##### Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the application for transfer to enable it to be processed further. When complete return to:

Coventry City Council, Environmental Protection  
Room 311 Broadgate House, Broadgate  
Coventry CV1 1NH

##### Other documents you may need to submit

\* You must submit your existing permit with this form. There are number of other documents you may need to send us with this application. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with your permit reference number and the name of the installation.

##### Using continuation sheets

In the case of the questions on the form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so by stating a document reference number for that
