17th October 2006

For the attention of Neil Chaplin.

Dear Neil

Application for permit to operate Part B installation.

Further to your letter dated 16th October, please accept my apology for the delay in the application but the business has been through a difficult period and we were forced to put priority to addressing the stability of the business. We are now in a better position and I would respectfully request an extension to our application to the end of this calendar year i.e. 31st December 2006 if that is at all possible.

Thanking you in anticipation of your cooperation.

Yours sincerely

Bill Singh.
