For the attention of Neil Chaplin

Dear Neil,

Again, sorry for the delay, but we have at last arranged for placement of an advert in the Coventry Evening Telegraph relating to our application for a permit to operate an installation.

I have enclosed a copy of the advert, which was based on your previous recommendation. This is due to be printed in the Thursday issue on 26.04.2007.

I believe this will conclude the actions required of us at this moment for everything else to progress. Please contact me if you require further details.

Yours sincerely,

Bill Singh
